DWCF capitol media event in late morning ending with plan of action session facilitated by Lorraine Ausley back at the hotel.

We can leave ASAP after the Lorraine Ausley presentation and stop along the way for dinner. We will arrive home late.

That would keep the expenses for the hotel to two nights.

I have room for six in my van...Nancy Hartley, Linda Crawford, and me so I can try to handle three more.

The Region is not doing the bus this time.

Please let me know ASAP . I will be away from Dec. 26- end of the year.
